

Convenient productivity for busy small offices

Busy environments such as small offices and workgroups must maximize productivity at all levels. Document output devices need to deliver printing, copying and scanning reliably and cost-effectively. The MP 161 Series from Nashuatec offers fast, cost-effective document production from a single compact device.

These versatile devices offer outstanding performance, with double-sided A4 documents produced at 16 pages per minute (ppm) on all models. High-quality scanning in full colour on the MP 161L and MP 161LN and excellent print resolution adds further impact to your documents. For the added benefit of connectivity, the MP 161LN is network-ready for simple integration. All this delivered in a compact, device perfect for small offices.

The perfect combination of performance and productivity are brought to you by the Nashuatec MP 161 Series – the ideal solution for everyday business documents.

Nashuatec's unique approach, links people with knowledge and expertise, combining our wide experience of innovative document related Products and Software Solutions with our world class Business and Professional Services to deliver the best Total Document Solutions for your business.

MP 161L and MP 161LN offer full colour scanning for eye-catching electronic documents

Compact design ensures device fits easily into your office

Enjoy the benefits of networkability for your team with the MP 161L and MP 161LN

A4 documents on demand

Produce documents when you need them with the MP 161 Series. The MP 161 is an efficient copier for a small office or workgroup, whilst the MP 161L and MP 161LN also offer connection to a dedicated PC, and network integration respectively. A fast warm-up time and the fast 16 pages per minute (ppm) A4 output speed ensures documents are produced quickly and efficiently. Multi-page double-sided documents can be produced at the touch of a button by using the standard Automatic Reverse Document Feeder (ARDF).

High resolution colour scanning

Offering full colour TWAIN scanning, the MP 161L and MP 161LN give you the flexibility to include colour images and photographs in your office documents. Either device can be connected to a PC via USB, and scans are sent to the PC desktop.

Superb output for quality documents

True 600dpi resolution gives professional-looking output every time. This applies whether you are producing letters, purchase orders or any other office document on the multifunctional MP 161L and MP 161LN, or simply copying on the MP 161. Digital 'Scan Once, Copy Many' technology ensures multiple copies are produced from a single scan. The 600dpi resolution is standard across print, copy and scan functions, giving you outstanding quality on a wide variety of media, including thicker stocks and recycled paper.

Compact design for efficient use of space

The MP 161's small footprint ensures it will fit easily into any available space, and once installed options such as the ARDF and bypass tray give you further document handling flexibility. Operation of the device is simple from the easy-to-use 4-line control panel.

A variety of connectivity options to suit you

Your everyday requirements can be easily met by the MP 161L, which offers connection to a PC, or the MP 161LN which has straightforward networkability. The MP 161L connects to a dedicated PC by USB, providing multifunctionality and printer functions. For use by a small group, the MP 161LN offers network connection in addition to USB allowing the functionality of the device to be enjoyed by the network group.

In Harmony with the Environment

Our products are designed to be kinder to the environment. We are committed to developing technologies that conserve energy and help prevent global warming. Our aim is to reduce the impact on the global environment, whilst continuing to enhance user comfort levels. The MP 161 Series encourages efficient paper usage with double-sided printing and copying.

Outstanding Software and Services

Improving productivity, workflow efficiency and cost control is easy with Nashuatec. Designed to add value and ensure our devices operate seamlessly and reliably, we cover every aspect of your business from document management, network control and consultancy, to training and unrivalled support.

Aficio™

The Nashuatec MP 161, MP 161L and MP 161LN bear the Aficio symbol – your sign of digital technology, innovation and customer support in action.

SPECIFICATIONS

MP 161/161L/161LN

Printer (MP 161L/MP 161LN)

Print speed

16 prints per minute

Printer language/resolution

Standard DDST: 600 x 600dpi

Interface

Standard: USB 2.0

Ethernet 10 base-T/100 base-TX
(MP 161LN)

Memory

Standard: MP 161L: 48MB
MP 161LN: 80MB

Network protocol

TCP/IP, IPP (MP 161LN)

Supported environments

Windows 98/Me/2000/XP/Server 2003

Copier

Copying process

Laser beam scanning and electro-
photographic printing

Copy speed

16 copies per minute

Resolution

600dpi

Multiple copy

Up to 99

Warm up time

Less than 10 seconds

First output speed

Less than 7.5 seconds

Zoom

50 - 200% [in 1% steps]

Memory

Standard: 16MB

Paper input capacity

Standard: 1 x 250-sheet paper tray
1 x 100-sheet multi-bypass tray
Maximum: 850 sheets

Paper output capacity

Standard: 250 sheets (internal tray)

Paper size

Standard tray: A5 - A4
Bypass tray: A6 - A4
Duplex tray: A4

Paper weight

Standard tray: 60 - 90g/m²
Bypass tray: 60 - 157g/m²
Duplex tray: 64 - 90g/m²

Dimensions (W x D x H)

485 x 450 x 371mm

Weight

Less than 22kg (MP 161)
Less than 24kg (MP 161L/161LN)

Power source

220 - 240 V, 50/60Hz

Power consumption

Operation: Less than 900W
Energy saver mode: Less than 25W

Scanner (MP 161L/MP 161LN)

Resolution

Black and white: 600dpi
Full colour: 300dpi (MP 161LN:
600dpi using the optional memory)

Original size

A5 - A4

Bundled drivers

Network (MP 161LN), TWAIN

Options

- Platen cover
- 50-sheet auto reverse document feeder
- 1 x 500-sheet paper tray
- 256MB memory (MP 161LN)
